**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of a local broadband provider. I switched from AT&T because we had frequent downtime, the speed was hundreds of times slower than what we have now at a price equal to what we pay now for gigabit fiber optic service. Without the local competition there would have been only two bad national options.
